RE: Edwards Land Surveys Ltd.

To Whom It May Concern:

This letter is written to express our satisfaction with Edwards Land Surveys Ltd.

Edwards Land Surveys Ltd. (ELS) owned and operated by LeMont Edwards P.Eng., A.L.S. has been engaged by the Regional Municipality of Wood Buffalo on numerous occasions for various projects.

ELS has always delivered the final survey product on time and on budget.

We consider Mr. Edwards to be very knowledgeable and competent in the surveying profession, and ELS to be very efficient in the execution of the survey projects awarded. We highly recommend Edwards Land Surveys Ltd. to any municipality or business requiring survey services.

Please feel free to call for any further information we may be able to provide.
